COMPANIES	EXTRACTED SIGNALS	SOURCE RECORDS	LEADERS RESEARCHED

LEADERSHIP CHANGE

Target appointed Chandhu Nair as its first chief AI officer and SVP.

Target · S004

TECHNOLOGY MENTION

Target is strengthening its AI and UX capabilities.

Target · S003

EVIDENCE QUALITY

Search snippets are preliminary. Original-source verification is required before treating findings as confirmed.

Preliminary evidence • Selected highlights shown; complete research retained in memory.

Peer landscape

Relative annual revenue and observed signal counts · counts do not measure security risk

COMPANY	REVENUE SCALE · TARGET = 1.00×	Leadership	Contracts	Cyber news	Technology
Target 104,780 USD millions · FY 2025	1.00×	1	0	0	1
Kroger 147.6 USD billions · FY 2025	1.41×	0	0	0	0

Peers 1/5 · Retail formats may differ. Revenue evidence: automated checks; original-source verification pending. Sector: Retail — general merchandise and consumer retail

Company snapshots

Selected signals + public leadership background · all snippet-based findings require source verification

Target

LEADERSHIP CHANGE · S004 — appointed

Target appointed Chandhu Nair as its first chief AI officer and SVP.

TECHNOLOGY MENTION · S003 — announced

Target is strengthening its AI and UX capabilities.
